

Opening the Pocket Guide While on the Road

Phone Instructions:

1. Download the **Google Maps** app if you don't have it already.
2. Open the app and click **Saved** tab at the bottom.
3. Click **Maps** and it will bring you to a list of maps you have created or participate in.
4. Once you are added to the map with your email address, the **Pocket Guide** will appear here for you to click on and open.
5. When you click on the **Pocket Guide**, you will have the option to select **View Map Legend** to see everything in list view.

Desktop or Tablet Instructions:

1. Open Google Maps and click on the **Menu** icon to the left of the search bar.
2. Click on **Your Places** within the menu list.
3. Click **Maps** and it will bring you to a list of maps you have created or participate in.
4. Open the **Pocket Guide** once your email address has been added to the map.

Using the Pocket Guide While on the Road

1. Click on any of the colored pins to see locations that I have shared. Here you'll see locations, interesting sights, links or notes to help you plan your time.
2. Click **Directions** to take you to that spot.
3. Click **Share** to share your destination with a friend.
4. Turn layers on and off to help narrow down the locations you are looking for.
5. Enjoy your adventure!

Disclaimer: This Pocket Guide was created with relevant information in Fall of 2021. The Pocket Guides were created to provide guidance only. Please use your discretion when following directions to the locations listed. Do your own research to make sure that information is up to date, safe and legal! Thank you, and safe travels!
